Well prepared: With this one-hour online consultation, we will help you with hands-on and practicable tips to optimally present your company online and sell your products and services more successfully.

What you get

- Analysis of your website
- Analysis of your Google My Business listing
- Analysis of your e-mail offers
- Analysis of your presence on the most important portals and your online reputation
- 60 minutes of consultation via Webex, Zoom or Skype
- Suggestions for optimization, summarized on one page and digitally provided as PDF

Target group

The coaching is aimed at owners, entrepreneurs, managing directors and those responsible for the online presence of tourism and leisure businesses, gastronomy, hotels and other service providers.

Process

- Please contact us to organize an appointment for an online conversation.
- We prepare everything and advise you 1:1 during a live web meeting.
- After the consultation, you receive a summary of 1 page of valuable optimization measures
- Service first: You pay afterwards by bank transfer and only if you were satisfied

Your Trainers

- Alexander Fritsch and Holger Sigmund
- Renowned tourism experts who connect scientific knowledge with practical relevance
- Over 20 years of international experience
- Unbiased and independent from agencies, portals or products
- Brands like Motel One, Accor Hotels and TUI trust the expertise of Tourismuspartner
